

| | | | | |
|-------------|--------------|--|---------------|----|
| | | infections of skin and appendages and acquired immune deficiency syndrome AIDS | | |
| K 06 | E.W33 | Describes the basic features, environmental and epidemiological conditionings of the most common human skin diseases | oral response | CC |
| K 07 | E.W37 | Describes the types of biological material and the methods of taking samples for dermatological diagnostics | oral response | CC |
| S 01 | E.U1 | Takes the dermatological history from the adult patient | oral response | CC |
| S 02 | E.U3 | Performs directed dermatological examination of the adult patient | oral response | CC |
| S 03 | E.U16 | Plans the diagnostic, therapeutic and prophylactic management in skin diseases | oral response | CC |
| S 04 | E.U20 | Qualifies the patient with skin disease to the inpatient or outpatient treatment | oral response | CC |
| S 05 | E.U23 | Suggests the rehabilitation schedule in selected skin diseases | oral response | CC |
| S 06 | E.U24 | Interprets the laboratory results and identifies the causes of their abnormalities in skin diseases | oral response | CC |
| | | | | |

** L - lecture; SE - seminar; AC – auditorium classes; MC – major classes (non-clinical); CC – clinical classes; LC – laboratory classes; SCM – specialist classes (magister studies); CSC – classes in simulated conditions; FLC – foreign language course; PCP practical classes with patient; PE – physical education (obligatory); VP – vocational practice; SS – self-study, EL – E-learning .

Please mark on scale 1-5 how the above effects place your classes in the following categories:

communication of knowledge, skills or forming attitudes:

Knowledge: ++++

Skills: +++++

Student's amount of work (balance of ECTS points)

Student's workload

(class participation, activity, preparation, etc.)

Student Workload (h)

1. Contact hours:

180

2. Student's own work (self-study):

90

Total student's workload

270

| | | |
|---|--|----|
| ECTS points for module/course | | 10 |
| Comments | | |
| Content of classes (please enter topic words of specific classes divided into their didactic form and remember how it is translated to intended educational effects) | | |
| Lectures N/A | | |
| Seminars N/A | | |
| Practical classes 1. Skin diseases of various etiology. 2. Sexually transmitted diseases. 3. Skin lymphomas. The revelators of internal malignancies. 4. Skin cancers. Nevi. 5. Dermatological therapy. Surgical treatment of selected skin diseases. | | |
| Other | | |
| Basic literature (list according to importance, no more than 3 items) N/A | | |
| Additional literature and other materials (no more than 3 items) N/A | | |
| Didactic resources requirements (e.g. laboratory, multimedia projector, other...) | | |
| the patients of dermatological ward | | |
| Preliminary conditions (minimum requirements to be met by the student before starting the module/course) The knowledge of basis of human anatomy, histology, physiology, pathophysiology and biochemistry | | |
| Conditions to receive credit for the course (specify the form, criteria and conditions of receiving credit for classes included in the module/course, admission terms to final theoretical or practical examination, its form and requirements to be met by the student to pass it and criteria for specific grades). Each absence must be made up, including rector's days or dean's hours. active presence on classes, oral response | | |
| Grade: | Criteria for course | |
| Very Good (5.0) | proficiently uses the knowledge and skills significantly exceeding standard course syllabus, gives interesting solutions of problems considering patients' care, identifies himself with general and professional ethics rules | |
| Good Plus (4.5) | confidently uses the knowledge and skills exceeding standard course syllabus, solves professional problems in new situations by himself, identifies himself with general and professional ethics rules | |
| Good (4.0) | has knowledge and skills sufficient to solve professional problems in typical situations, obeys general and professional ethics rules | |

| | |
|---|--|
| Satisfactory Plus (3.5) | has knowledge and skills not exceeding minimal requirements of course syllabus, solves the problems of medium difficulty level, accepts general and professional ethics rules |
| Satisfactory (3.0) | has not got the knowledge and skills not exceeding minimal requirements of course syllabus, solves typical professional problems of low difficulty level, accepts general and professional ethics rules but does not do activities on his own initiative |
| Grade: Criteria for exam (if applicable) | |
| Very Good (5.0) | |
| Good Plus (4.5) | |
| Good (4.0) | |
| Satisfactory Plus (3.5) | |
| Satisfactory (3.0) | |
